About UNOE

United Neighborhoods of Evansville, Inc. (UNOE) is a nonprofit founded to preserve, enhance and promote the Evansville and area neighborhoods. UNOE is comprised of neighborhood association members from throughout the Evansville and Vanderburgh County area.

UNOE is an umbrella organization of volunteers dedicated to strengthening and improving neighborhoods. We lead them and empower them. By joining our efforts to speak and work together, the level of success increases dramatically. Our volunteers passionately work to preserve, enhance, and promote the Evansville and area neighborhoods.

The aims of UNOE are focused upon supporting the work of Neighborhood Associations (NAs). UNOE seeks to identify neighborhood concerns and work together with Associations on such issues. The agency assists NAs in working with community and government agencies. UNOE provides a common forum through which NAs can exchange information, knowledge, and expertise via monthly newsletters, monthly general meetings, public forums, website, social media and in collaboration with other community organizations that advocate for Evansville neighborhoods. UNOE helps citizens connect to NAs that represent their area and supports residents in forming new associations where such has previously not existed.

We are an umbrella organization that engages neighbors to work together for the improvement of the lives of those living in our neighborhoods. Being involved in your Neighborhood Association drives changes within our community, especially through a working relationship with local government. By joining us, you can enjoy the satisfaction of knowing you are helping create a better life for yourself, your family and your neighbors.
