## Making a BIG Impact

Big Brothers Big Sisters stands as the oldest and largest child mentoring organization in the United States, renowned for its success. For 55 years, Big Brothers Big Sisters of Southwestern Indiana has been dedicated to fostering mentoring programs in our community. Their core mission is to cultivate and support one-to-one mentoring relationships that unlock the potential and promise within every young person. They envision a future where all youth can realize their full potential. This is accomplished by connecting young individuals with carefully screened and supported volunteers who engage in meaningful one-to-one mentoring relationships, whether through community-based or site-based programs. Our commitment to youth development is unwavering, as we strive to create impactful connections that inspire growth and confidence.

One of their innovative initiatives is the "High School Bigs" program, which specifically targets high school juniors and seniors in Spencer, Posey, and Vanderburgh counties. This program allows these older students to mentor local elementary and middle school children, meeting weekly to foster relationships and provide guidance. Through this initiative, they aim to create a ripple effect of positive influence, empowering both the mentors and the mentees.

## New Neighborhoods

The United Neighborhoods of Evansville has enjoyed a busy and successful year so far. Attendance at our monthly membership meetings, and engagement on our social media pages have increased. We are also happy to have participated in National Night Out, and the return of the Mayors Traveling City Hall. As a result of this hard work, and thanks to our members praises, we would like to also welcome our newest neighborhoods; N.O.M.A (North of Morgan Ave), and COMETS; as well as the return of WESTERN TERRACE Neighborhood Association. Lets have a great rest of the year.
